

Tannery of the Future terms and conditions - 2016

Please read these terms and conditions carefully.

1. The Tannery of the Future self-assessment is free to download and for non-commercial use only. Redistributing this document is allowed for any user. Under no circumstances should this document be (re)distributed for commercial use.
2. Downloading the Tannery of the Future self-assessment is an implicit declaration to other users (e.g. buyers) that you are willing to discuss topics from the document when asked to. Your personal and company details will be kept private unless requested otherwise.
3. By providing your company logo to tanneryofthefuture.org, you can choose to make your willingness to discuss topics from the self-assessment with other users explicit to all visitors of the website tanneryofthefuture.org. Downloading the self-assessment will also grant you access to the private Tannery of the Future LinkedIn-group: Tannery of the Future for sustainable leather.
4. The Tannery of the Future self-assessment tool has been designed as a guideline for tanneries. It is a basic self-assessment tool to further understanding on how individual tanneries score on the sustainability issues that end-consumers of leather products consider to be important.
5. The tool covers a range of relevant subjects, but it cannot cover every nuance of every topic, and neither can it claim to be complete. It is the sole responsibility of the individuals or companies using this tool to determine the status of the content covered by the tool.
6. The information, documents, links to organisations and services described in the tool are for guidance only. We do not claim that this is a complete list or that these are the best solutions. There are no commercial relations between the publisher of this tool and the links or organisations that are described within it.
7. The publisher gives no guarantees, either express or implied, concerning the accuracy, completeness, reliability or suitability of the information. Neither does it warrant that the use of this information is free of any claims of copyright infringement.
8. Neither the publisher nor anyone connected with the drafting of this tool can be held responsible for or is liable to any declarations, copyright claims, damages, loss or expenses resulting from the use of this tool.
9. The links to the websites are provided solely as a source of information on topics that may be useful to the individuals and organisations using this tool. The mention of names of specific organisations does not imply any intention to infringe proprietary rights, nor should this be construed as an endorsement or recommendation on the part of the publisher.
